Introduction

In 2010, YMCA of Hong Kong has set up 3 Campus Y clubs in the universities in HK. They are The Chinese University of Hong Kong, The Hong Kong Polytechnic University, and The University of Hong Kong, they are governed by Council of Campus Y, YMCA of Hong Kong. Campus Y clubs are student-driven organizations with the sponsoring support of the YMCA of Hong Kong.

STEPS

The objectives are actually about 3 “Steps” which will be explained as follows:

1. Step UP: It is hoped that students can realize the value and need for helping those service recipients and step up to help them via the means of a service trip and follow-up activities.
2. Step OUT: It is hoped that the service recipients can start thinking of their career, step out to do something different but valuable to them, instead of just following others
